

2009-10 ILR Résumé Book Order Forms

The Cornell University ILR Office of Career Services Office is pleased to offer résumé books highlighting ILR undergraduate and graduate students targeting ILR fields. These books are especially useful for employers who have hiring needs but do not recruit on campus, and can help organizations with marketing outreach efforts to students.

ILR Résumé Book: ILR graduating students from the Master's and Bachelor's Degree programs targeting human resources, HR consulting, labor relations, government/policy and other ILR-related fields. Available in early October. (Cost: \$50)

Labor Résumé Book: Undergraduate and graduate ILR students seeking summer and full-time positions in the labor movement, labor research, and/or non-profit sector. This book is provided to all organizations attending the Social Justice Career Fair in the Spring semester and to others upon request. Available in Spring semester only. (No Charge)

International Résumé Book: International undergraduate and graduate ILR students seeking internships or full-time positions. This book features students from ILR's diverse international populace whose interests, language skills and, in some cases, dual citizenship, make an offshore or home-country assignment particularly appealing. Available in early October. (No Charge)

Minority Résumé Book: ILR undergraduate and graduate students of African, Asian, Latino/a and/or Native American descent exploring both intern and full-time employment opportunities. Available in early October. (No Charge)
