

Procedures to Propose Independent Study (ILR 499)

I. Eligibility:

This proposal will be reviewed and ordinarily will be approved if the following criteria have been met.

- The proposal is submitted by a Senior student (or possibly a Junior) who has an academic average of approximately B- or better.
- The candidate has completed less than nine ILR elective credits in directed study or internships.
- The proposal was developed in consultation with the Faculty Supervisor.
- The proposal does not cover material fully treated in regularly scheduled courses.

II. Student Responsibilities:

The Committee on Academic Standard and Scholarships intends that all Independent Study proposals be submitted for review *in the semester before the one* in which the study is to be done.

The Committee *will not review* proposals submitted later than one week into the semester in which the study is to be done.

Completing a proposal requires:

- Identifying a manageable topic.
- Consulting with a faculty member on the scope and content of the study.
- Developing a preliminary bibliography.
- Completing this proposal review form.
- Securing the signature of the faculty member.
- Securing the signature of the Department Chairperson.
- Returning the completed form to OSS for review by the Committee on Academic Standards and Scholarships.
