The purpose of this document is to provide the Director of Graduate Studies verification that you have met all the requirements for the Master of Industrial and Labor Relations degree. Use this form as a guide when planning your courses. It must be completed, signed, and turned in to the ILR Graduate Office after you have registered for your final semester of courses. Students in the MILR program must:

1. Take a minimum of 48 Credits (at least 16 courses); complete a minimum of 2 full-time semesters and a maximum of 4 full-time semesters in the MILR program
2. Complete the 6 required MILR core courses, or substitute approved courses if a core course waiver is approved
3. Take 6 approved concentration courses
4. Take as many approved electives as needed to fulfill the 16 course and 48 credit requirement.

All courses taken toward fulfillment of the MILR degree requirements must be **courses at the 5000 level or above, and taken for a letter grade**; S/U grade option courses and grades below "C" do not count toward MILR degree requirements. Courses that carry less than 3 credits do not count, unless combined with another less-than-3 credit class. Such instances will count as 1 course, and must be taken for credit. Students must petition the Director of Graduate Studies for any policy exceptions prior to taking the course in question.
